MARIAM MOHAMAD

Ph. D. | SENIOR LECTURER

Acknowledged as one of the pioneers from Malaysia in mobile learning research, in the book entitled *Mobile Learning in Higher Education in the Asia-Pacific Region* published by Springer. Her work also referred by UNESCO in the publication entitled: *Turning on Mobile Learning: Illustrative Initiatives and Policy Implications*, Dr. Mariam has extensive experience in disseminating her work internationally. She was invited by UNESCO to present her work in Mobile Learning Week 2014 at UNESCO headquarters in Paris. She was also invited by 2nd International Conference on Education and Multimedia Technology (ICEMT 2018) to give her speech in Okinawa, Japan and 5th International Mobile Learning Festival (IMLF2018) in Singapore. In 2019, she was invited by 5th International Conference in Education (ICEDU2019) in Kuala Lumpur as a plenary speaker and forum panelist. She also attended 3rd International Conference on Education and Multimedia Technology (ICEMT 2019), in Nagoya, Japan as a plenary speaker. Recently, in 2020 she was invited as a keynote speaker for the 5th International Multidisciplinary Research Conference (IMRC 2020), in Philippines followed by another invitation as a keynote speaker in the 1st International Conference on Education Science and Technology for Sustainable Development, in Philippines.

PRESENTLY

For the community, she also devoted her time as the President for Dyslexia Association, Penang State and the Advisor for Special Need Students Association, University Sains Malaysia. She is a committee member for Research & Development Unit, Malaysian Association for The Blind. Also the Coordinator for Community and Alumni in the Centre (from 2022 till 2024)
